

Proposed Wolf Compensation Checklist

- _____ Current application for compensation, (non-lethal, confirmed depredation, missing)

- _____ Supporting documentation for compensation request, i.e. documentation of non-lethal practices

- _____ If requesting compensation for a depredation please attach ODFW full report on your loss, (this report can be obtained from ODFW)

- _____ Cattle on/off counts should be included with application

- _____ Range rider form

- _____ Supporting range rider documentation, i.e., diary/calendar, detailed report of activities of range rider

- _____ AKWA map

- _____ Any other supporting documentation applicable to your situation

- _____ If asking for compensation on a confirmed depredation and your calves are under a sales contract, please provide this info so a value can be determined on the animal. Also provide your calves average weight at sale time.
