## A NOTE ABOUT ADVERTISING IN THE FAIR PREMIUM BOOK:

The Baker County Fair does not sell ad space in the Fair Premium Book. As a courtesy to the Baker County Fair, the Baker City Herald, at no cost to the fair, prints the premium book. Yet, to cover printing costs, the Herald's advertising staff does sell ad space. In other words, the premium book is a separate opportunity for businesses to advertise their services and get the word out about their community support. We apologize for the confusion!
