

Chapter 770
PHOTOVOLTAIC ENERGY SYSTEMS

770.01 Purpose

770.02 Uses Permitted Through a Type I Procedure

720.01 Purpose. The purpose of this chapter is to outline the types of photovoltaic energy systems that are permitted, and to act as a place holder for future development of this ordinance.

720.02 Uses Permitted Through a Type I Procedure. In all zones, photovoltaic systems of 5 kW or less are permitted.
