Ballot Title Additional requirements may apply	
<b>Caption</b> 10 words which reasonably identifies the subject of the measure. Impose five year local option tax for general operations.	
<b>Question</b> 20 words which plainly phrases the chief purpose of the measure. Shall the District impose \$0.75 per \$1,000 of assessed value for general operations for five years beginning 2023-2024. This measure may cause property taxes to increase more than 3%.	
<b>Summary</b> 175 words which concisely and impartially summarizes the measure and its major effect. With the significant growth that Baker Rural Fire Protection District is currently experiencing, the District will use the tax revenue from this measure to continue to operate the district at its present level of service. Without this additional revenue the District may not be able to comply with governing agency standards, which may result in increased insurance rates for District residents. The proposed rate will raise approximately \$137,000 in 2023-2024, \$141,000 in 2024-2025, \$145,000 in 2025-2026, \$149,000 in 2026-2027, and \$154,000 in 2027-2028. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of the estimate and may reflect the impact of early payment discounts, compression and the collection rate. A yes vote would enact an increase in real property taxes in the District by \$0.75 per \$1,000.00 of assessed value for five years. A no vote results in no tax increase.
